My dear Sir James:

Professor Osborne has told me that you have very kindly asked me to be your guest while I am in Winnipeg, and I have much pleasure in accepting the invitation, and look forward with great anticipation to spending Monday and Tuesday with you. Unfortunately I promised the Brandon people to go there and speak at the Canadian Club, and in order to fulfil this engagement I must leave Winnipeg about eight o'clock on Tuesday night. That will give me Monday and Tuesday with you in Winnipeg.

I am also to meet the Alumni of the University of Toronto on Tuesday at a quarter to six.

With kind regards, I am,

Yours sincerely,

President.

Sir James Aikins,
Government House,
Winnipeg.
